Genesis Base PLL-70D is an L-type quick-release plate. It allows vertical or horizontal attachment of the photo camera in the clamp of the Arca-Swiss ball head. The use of L-shaped quick-release plates significantly increases the comfort of taking portrait photos and panoramas made up of vertical frames. PLL-70D L-Type Plate is made of light and durable aluminum alloy used in aviation, and it has been designed especially for Canon 70D cameras. It is perfectly fitted to the casing, ensuring splendid stability. It does not tilt during operation.
