16x female thread 3/8"

Cage inner dimensions (width/height): 203mm/154mm

Cage outer dimensions (width/height/length): 77/250/270mm

Material: aluminium

Weight: 1460g

PRODUCT DESCRIPTION:

Genesis Cam Cage is designed specially for the Canon 5D and Canon 7D, but it can also be used with other DSLR's. The lower part of the cage is shaped to provide easy access to the camera battery compartment. Genesis Cam Cage is made entirely of aluminum which ensures high durability, stiffness and product quality at the same time providing it with low weight. Genesis Cage Cam has 20 1/4" and 16 3/8" mounting points which allows you to mount a wide range of accessories in a way that best suits your needs.
