

Genesis Michigan

Dimensions:

External: 35x15x25 cm

Internal: 30x11,5x20 cm

Weight: 937 g

Description:

Michigan model is equipped with an adjustable arm strap which makes the bag more ergonomic. Main compartment houses the camera, the front pocket will easily contain photo accessories, and two small internal pockets are a perfect fit for your documents. Polyamide fabric gives rain protection. With its compact dimensions, Michigan bag turns out as a great solution for photo adventures.
