

Quadralite Atlas 400 Pro mount adapter for Profoto

This adapter allows use of Profoto light modifiers on Quadralite Atlas 400 Pro TTL flash. Package contains not only adapter, but also a handy lid for flashtube protection during transportation and storage. This adapter can be also use as a small and portable hard reflector thanks to it's reflective interior.

Product features:

- expands Atlas 400 Pro TTL flash accessories compatibility
- allows use of Profoto light modifiers
- can be use as a reflector, Profoto mount adapter and protection cap
- shipped with lid and a set of mounting screws and hex key
