

Quadralite Diffuser for SVL series

A light-softening diffuser designed to work with the Quadralite SVL-400 lamp. Thanks to the universal Bowens mounting, it can also be used with other low-power continuous LED lamps. In the case of lamps with exposed diodes, the diffuser helps protect them against mechanical damage and splashes.

Product features:

- Lightweight
- Universal Bowens mount
- Designed for LED lamps up to 100 W power

Warranty:

- 2 years

Specification:

Model	Diffuser for SVL series
Mount	Bowens
Lamp power	≤ 100 W
Working diameter	115 mm
Material	aluminum, plastic
Weight	160 g
External diameter	155 mm
