

Quadralite Air 395 Studio Light Stand

Professional aluminium light stand with air cushion shock absorber

EAN: 5901698712228

Quadralite | quadralite.pl | info@quadralite.pl

Product Description

Quadralite Air 395 is a professional studio light stand made of aluminium, featuring an air cushion shock absorption system. The air shock absorber allows smooth, controlled lowering of the lamp head with attached modifier without risk of damage. Four sections with flip lock mechanism provide fast height adjustment from 135 to 395 cm.

The stand is particularly recommended for large light modifiers and high-power studio flashes. The included adapter with 1/4" and 3/8" threads ensures compatibility with standard studio equipment.

Technical Specifications

Model name	Quadralite Air 395
Product type	Studio light stand
Material	Aluminium
Colour	Black
Number of sections	4
