

Quadralite Boom S Studio Light Stand

Professional boom stand with full boom arm angle adjustment

EAN: 5901698712181

Quadralite | quadralite.pl | info@quadralite.pl

Product Description

Quadralite Boom S is an advanced studio light stand with a 200 cm boom arm adjustable to any angle. High load capacity – up to 6 kg in stand mode and 4.5 kg in boom mode – allows use with heavy lamps and large modifiers. Wheels with brakes make it easy to move the heavy setup around the set. The solid 4 kg metal counterweight ensures stability even with heavy equipment on the arm.
